

# What's Happening in York Woods...

Fall 2020

## Reinvest Initiative

The Board of Directors is reaching out to the community to give input as to how we can reinvest in our neighborhood and keep it a great place to live. The Board will vote on any ideas submitted. All submitted project ideas will be evaluated against the following criteria

- Feasibility
- Minimal impact on recurring annual budget
- Equitable benefit to all York Woods residents
- Likelihood of property value enhancement
- One or more projects may be selected, dependent on available funds and project scope

Ideas should be submitted to Oak & Dale for consideration by Dec 31, 2020 at Katie Ellis [kellis@oakanddaleproperties.com](mailto:kellis@oakanddaleproperties.com)

## Architectural Review Committee—ARC

While home improvement projects are encouraged in York Woods, we remind you that any project that involves the outside appearance of your home needs to gain approval from the Architectural Review Committee. Forms can be found on our website, [www.yorkwoods.org](http://www.yorkwoods.org)

If you are interested in joining the Architectural Review Committee please contact [Katie Oak & Dale](#).

## Crime Update

9pm routine—check your car, doors and windows to make sure they are all secure

The Oak Brook Police Department held a virtual town hall meeting in August. They have loaded the video onto Nextdoor and it is very informative. (York Woods gets a shout out for having the most members on NextDoor!)

Help make our community safer by following these crime prevention tips:

- Always secure the doors to your home and vehicle (inside and outside of garage)
- Remove valuables from cars overnight, including car keys/fobs and garage door openers.
- If you see a suspicious person or car in the neighborhood, call the police.

## Fall Leaves

### KEEP LEAVES OFF THE STREET!

Leaf collection will start soon. By keeping the leaves at the edge of your lawn not only helps keep everyone safe while walking but also keep sewers clear. make sure to communicate to your landscapers as well. Follow all other Village requirements.

**2020 Pickup dates: October 20th, October 27th , November 17th , December 14th**
